

NextEleven Lot Management

Commercial Rate Card · Independent used-car / vehicle retail desk · SKU: Lot
NextEleven LLC · Mansfield, Texas · Effective August 2026 · v2.0 · USD · Confidential under NDA

Offline-first vehicle retail desk for independent lots — inventory, CRM, sales, PDF invoices, scheduling, and backups on your machine. **One-time purchase per machine.** No monthly subscription. Sibling under NextEleven Dealership OS: **Parts** (parts counter).

Core pricing

Package	Machines	Price	What it is
First machine	1	\$495 one-time	Full system installed on your hardware + train 1 person + full FAQ manual + troubleshooting guide. No monthly subscription.
Each machine after	2+	\$195 per machine one-time	Same full system on each additional machine. Separate install + train 1 person. No recurring fees.
Support	As needed	\$200 / hour	Priority support available when needed. Billed only for time used.

Examples: 1 machine = **\$495** · 2 machines = **\$690** · 3 machines = **\$885** · 4 machines = **\$1,080**. You own the copies. No seat tax.

Worked one-time examples

Machines	1	2	3	4	Notes
You pay	\$495	\$690	\$885	\$1,080	\$495 first + \$195 each additional machine
Included	Install + train	Install + train	Install + train	Install + train	FAQ manual + troubleshooting guide on every install

No recurring monthly fees. Support is optional and billed only when used (\$200/hr).

Included vs not included

Included with every machine purchase • Inventory — VIN decode, cost / pack, photos • CRM / leads pipeline • Sales — tax rate, void restores stock, deal notes • PDF invoices (NextEleven Dealership OS header) • Scheduling + operational reports • Settings — tax, create/list/restore DB backups • Offline-first desktop (Electron + local lot.db) • i18n: English / Spanish / Arabic RTL • Session auth · forced first-login password change • Install on your hardware · train 1 person • Full FAQ manual + troubleshooting guide	Not included / sold honestly • Not a full DMS / CDK / Reynolds replacement • Not multi-user cloud SaaS on day one • Multi-lot shared cloud DB = later / SOW • Advanced role matrix beyond desk admin = later • Live Kelley Blue Book feed (manual book-out today) • Data migration / photo bulk import = services • Extra training beyond the included walkthrough = SOW • Not bundled with RealDeal or MorphMarket • Sibling Parts is a separate SKU / order • This card is not a software license grant • Ongoing support billed only when used (\$200/hr)
---	--

Optional add-ons

Add-on	Price	Description
Support (as needed)	\$200 / hr	Priority help when you need it. No retainer required.
Cloud backup / sync (future)	Quoted	Optional off-box backup when available. Offline desk remains the default system of record.
Professional services	\$175–\$225 / hr or SOW	Catalog/vehicle import, photo bulk load, extra training days, custom reports, SSO later.
Dealership OS + Parts	See Parts / OS cards	Parts is a separate SKU (monthly). Lot is one-time per machine. Order together or alone.

Buy path

Discovery call → live desk demo on sample inventory → paid install on your machine (\$495 first / \$195 each after) → train 1 person → FAQ + troubleshooting guide delivered → you own the copy. Support available at \$200/hr whenever you need it.
